

 **NAMIZ**
International

www.namizinternational.com

Our Mission

We are committed to an on-going and significant expansion of our operational activities in future. The foundations for this were laid in recent years through outstanding exploration work and successful acquisitions. Moreover, we have been able to steadily expand our portfolio through successful participation in bidding rounds and our concession interests, in order to achieve our growth targets as quickly as possible.

Our Vision

Our vision to become the employers preferred manpower service in and around Qatar. We also aspire to be the preferred platform for candidates to discover and pursue exiting careers with their ideal organization. We are devoted to remain unmatched in customer satisfaction. We strive to maintain our reputation as to be the premier professional recruitment company.

Our Core Values

We focus on providing the opportunities for businesses to work with highly motivated individuals as per their needs & requirements, and budget.

Trust: We are a high performing, high quality organization dedicated to employment and human resource services a trusted partner and resource for our customers and our community.

Respect: We treat every individual with respect, in every interaction.

A man with a beard and mustache, wearing a dark suit jacket over a light-colored button-down shirt, is smiling and giving a thumbs-up gesture. He is positioned on the left side of the frame against a dark blue background.

Why Choose Us?

We Adhere To Regulations & Requirements

Namiz International complies with all the latest legal requirements and regulations set by relevant Government departments. We make sure our operations and the management of foreign workers are in tandem with local regulations in order to ensure our services are delivered to our clients without interruption.

Our Efficient Corporate

Namiz International sets a high benchmark for its employees to expedite the documentation and submission of documents related to our services and the management of foreign workers. Our employees are highly trained and are encouraged to be creative problem solvers to meet clients' requests in all aspects in a timely manner.

Clients Are Always Our Top Priority

Your satisfaction is what Namiz International cares most about. With this in mind, we continue to provide you the most efficient solutions related to foreign workers by taking into consideration your specific needs and requirements.

Valuable Company Assets

Namiz International believes its highly trained, professional and passionate employees are the company's greatest assets and values their contributions.
